(11) Leave request may not be granted or authorized due to operational requirements however line managers may not unreasonably refuse to grant or authorize a leave request.

1.1 ANNUAL LEAVE

Annual leave is intended to provide the opportunity for a period of rest and recreation, so employees are expected to take leave within the leave year, when leave is due. Leave may be taken at any time convenient both to the employee and the Municipality. Business needs and personal needs should be carefully balanced.

The employer shall grant the employee the following annual leave:

1. Twenty-four (24) working days for a five (5) days worker and twenty-seven working days for a six days worker

TIMING

(5) It will remain the responsibility of the employee to ensure that leave applied has been approved before proceeding on such leave;

(6) If an employee applies for leave and the leave days include a weekend, the weekend does not form part of the days counted as due. Weekends are thus not part of the leave days applied for; and
