1. OBJECTIVE

The objective of the virement policy is to provide guidelines to be followed, to effect virements of approved budgeted expenditure during the course of financial year.

2. PRINCIPLES

- 2.1. Virements should not be permitted in relation to the revenue side of the budget;
- 2.2. Virements between votes should be permitted where the proposed shifts in funding facilitate sound risk and financial management(e.g. the management of central insurance funds and insurance claims from separate votes);
- 2.3. Virements from capital budget to the operating budget should not be permitted;
- 2.4. Virements towards personnel expenditure should not be permitted;
- 2.5. Virements to or from the following items should not be permitted : bulk purchases, debt impairment, interest charges, depreciation, grants to individuals, revenue foregone, insurance and VAT;
- 2.6. Virements should not result in adding new projects to the capital budget;
- 2.7. Virements of conditional grant funds to purposes outside of that specified in the relevant conditional grant framework must not be permitted;
- 2.8. Implementation of MSCOA requires that virements can only take place within a function or sub-function and the same source of funding.
- 2.9. Implementation of MSCOA requires that virements can be made within activities within the same function or sub function and the same source of funding.
- 2.10. Virements should not be allowed from the repairs and maintenance project in the project segment.
