Specification for Molemole agricultural indaba

1. Purpose

The main purpose of the project is to appoint prospective service provider to champion the hosting of Molemole agricultural.

2. Background

Molemole Local Municipality has identified, as a strategic intervention, development of a sustainable, equitable and a very broad-based local economy. This will be accomplished by rigorous exploration and dogged speeded growing key economic sectors such as agricultural.

The analysis of the sectors in the Molemole shows only one primary sector (Agriculture) as the main driver of the economy of the municipality, with support service sectors such as banking, finance and retail. Within the agricultural sector potatoes are the key produce in the area and the current commercial farmers are achieving significant success.

3. Objectives

The 2013/2014 financial year, the municipality has planned to host the agricultural indaba which will cover the entire area of Molemole for both commercial and emerging farms and for all the stakeholders with keen interest in agriculture.

Vision: A developmental people driven organization that serves its people"

Mission: To provide essential and sustainable services in an efficient and effective manner.

4. Focus of the indaba

The main focus of this indaba is to:

- Bridge the gap commercial and emerging farmers within the agricultural sector in Molemole.
- Create a good working relationship between private institutions, government institutions and farmers
- Improve the farming status of the emerging farmers
- Skills and knowledge transfer

5. Scope of work

Appointment of a prospective service provider to champion the 2013/2014 Molemole agricultural indaba

6. Deliverables

- Provide credible proposal for running the programme
- Implementation and marketing plan for the programme
- Partnership recruitment strategy

7. Requirements

- Company registration certificate
- A valid original Tax clearance certificate
- Value Added Tax certificate
- A valid BBB-EE certificate
- Company profile and experience on related work
- Completed declaration form

Vision: A developmental people driven organization that serves its people"

Mission: To provide essential and sustainable services in an efficient and effective manner.
