ALL CORRESPONDENCE TO BE ADDRESSED TO THE MUNICIPAL MANAGER

Enquiries: Mashatola D

Reference: 8/1/4-CORP

01 November 2016

1. Molemole municipality is hereby inviting quotations from prospective service providers who are registered on the Central Supplier Database (CSD) for the supply and installation of Closed Circuit Television Cameras and related accessories at Mogwadi and Morebeng Driver's license and Testing Centers (DLTCs) as per the specification listed in paragraph 4 below.

1.1 The following documentation should be attached to quotations:

- a) The updated/recent CSD supplier registration summary report;
- b) An original or certified copy of valid B-BBEE certificate;
- c) An Original or Certified copy of valid Tax Clearance Certificate;
- d) A fully completed and signed MBD/SBD 9 forms (downloadable from <http://www.molemole.gov.za/docs/notices/MBD%209%20FORM2016.pdf>;
- e) A fully completed and signed declaration of interest form (downloadable from <http://www.molemole.gov.za/docs/forms/Declaration%20of%20Interest%20for%20Prospective%20Service%20Providers.pdf>).

1.2 The following conditions and rules will apply for this project:

- a) Service Providers are welcomed to visit the **two buildings** in order to compile a responsive proposal for the required service;
- b) The Supplier shall insure liability for equipment during the delivery and installation; Liability will shift from the supplier to the municipality after project is handed over;
- c) Price(s) quoted must be valid for at fourteen (14) days from the date of this offer;
- d) Price (s) must be firm and inclusive of VAT , if applicable;
- e) Incomplete quotations will be disqualified from further evaluation;
- f) Payment will be effected within 30 days of receipt of invoice;
- g) Molemole municipality reserves the right to accept OR not accept any quotation.

2. Specifications of the features for CCTV security systems:

Total number of CCTV cameras: 08 [06 per building].
High quality equipment from reputable brands and compatible.
Equipment and accessories must be compatible with existing PCs and Laptops and monitors as well as mobile phone.
Equipment must be user friendly and durable.
Equipment must be multi -functional with network capability.

Vision: A developmental people driven organization that serves its people

Mission: To provide essential and sustainable services in an efficient and effective manner

Equipment must be able to pan, tilt and zoom with night vision and infrared capability.
Equipment must have low cost energy consumption capability.
Equipment must have the capability to record or recapture "footage" of images etc., for us to be able to look at "what transpired" at any point in time.
Equipment must have the capability for easy upgrade and replacement.
Equipment must be able to back up data [supply of 3 TB storage device].
Supply of Uninterruptible Power Supply with a capacity of minimum 3 hours of recording.
Supply of TV Monitor on each site for monitoring of movements around premises.
Digging of trenches, where applicable is the responsibility of the Service Provider.
Tenderers should ensure that their proposals provide confirmation that all users of the equipment will be trained in their operation and become certified users.
Bidder must include cost of Installation.
Site rehabilitation and clearing on termination of the project.
Remote viewing capability.
A full breakdown of all costs must be given in relation to the work to be undertaken in this project; which includes the supply and installation of the requisite equipment and training cost.
AREAS TO BE COVERED BY CCTV RECORDING:
- All Entrance gates and doors to the premises and building
