## **TENDER SCAM ALERT**

The Municipality has noted with serious concern the unfortunate incidents of faceless individuals who present themselves as Municipal Officials and demand payments to assist prospective bidders with the recently advertised tenders.

The Municipality would like to put it on record that the adjudication of all tenders, request for quotations or three quotations is done in line with the Municipal Supply Chain regulations (2005), the Municipal Finance Management Act, 2003 (Act 56 of 2003) and principles outlined in section 217 of the Constitution of South Africa, 1996 (Act 108 of 1996), as amended.

The Municipality therefore warn members of the public against a scam by these people whose intend is to defraud prospective bidders out of their money with a false promise to help them win the tenders.

Members of the public are further advised to report such incidents to the Municipality or directly to the law enforcement agencies.

**Municipal Manager**
