DEBT COLLECTION**

**MOLEMOLE LOCAL MUNICIPALITY
CREDIT CONTROL AND DEBT COLLECTION POLICY**

1. BACKGROUND

1.1 Legal Framework

1.1.1 This policy has been compiled in accordance with the Local Government-Municipal Systems Amendment Act (MSA), 2003, Act No 44 of 2003. The Council of the municipality, in adopting this policy on Credit Control and Debt Collection, recognizes its constitutional obligations as set out in Chapter 7 of the Constitution and Chapter 9 of the Municipal Systems Act, No 44 of 2003, to develop the local economy and to provide acceptable services to its residents. It simultaneously acknowledges that it cannot fulfill these constitutional obligations unless it exacts payment for the services which it provides and for the taxes which it legitimately levies in full from those residents who can afford to pay, and in accordance with its indigent relief measures for those who have registered as indigents in terms of the Council approved indigent management policy.

1.2 Provision of Services

1.2.1 The Municipal Council must give priority to the basic needs of the community, promote the social and economical development of the community and ensure that all residents and communities in the municipality have access to at least the minimum level of basic municipal services in terms of section 152 (1) (b) and 153 (a) of the Constitution.

1.2.2 In terms of the MSA the municipal services provided to residents and communities in the Municipality must:-

- be within the municipality's financial and administrative capacity;
- be provided in a manner that –
 - is fair and equitable to all its residents and communities;
 - ensures the highest quality service at the lowest cost and the most economical use and allocation of available resources; and
 - is financially and environmentally sustainable; and
- regularly be reviewed with a view to upgrading, extension and improvement.

1.2.3 According to the MSA the phrase “financial sustainable”, in relation to the performance of a municipal service, means the performance of a municipal service in a matter that:-

- is likely to ensure that revenues from that service are sufficient to cover the cost of –
 - operating the service; and
 - maintaining, repairing and replacing the physical assets used in the performance of service;
- is likely to ensure –
 - a reasonable surplus in the case of a service performed by the Municipality itself;
 - a reasonable profit, in the case of a service performed by a service provider, other than the Municipality itself;
- is likely to enable the Municipality or other service provider to obtain sufficient capital requirements for the performance of the service; and
- takes account of the current and anticipated future –
 - level and quality of that service;
 - demand for the service; and
 - ability and willingness of residents to pay for the service.

1.3 Credit Control and Debt Collection

1.3.1 The Municipal Council must ensure that all money that is due and payable to the Municipality is collected, subject to the provisions of the MSA.

1.3.2 For this purpose the Municipal Council must adopt, maintain and implement a credit control and debt collection policy consistent with its rates and tariff policies and complying with the provisions of the MSA.

1.3.3 The credit control and debt collection policy may differentiate between different categories of ratepayers, users of services, debtors, taxes, services, service standards and other matters as long as the differentiation does not amount to unfair discrimination.

DOCUMENT REFERENCE	CC AND DCP 2024 & 2025	OWNER	MOLEMOLE MUNICIPALITY	Molemole Municipality
VERSION No	001	PAGE NUMBER	16 of 29	

4.14.2 Should any dispute arise as to the amount owing by an owner in respect of municipal services the owner shall, notwithstanding such dispute, proceed to make regular minimum payments based on the calculation of the average municipal debits for the preceding three months prior to the arising of the dispute and taking into account interest as well as the annual amendments of tariffs of the Municipality.

4.15 Full and Final Settlement of an Amount

4.15.1 Where the exact amount due and payable to the Municipality has not been paid in full, any lesser amount tendered to and accepted by a municipal employee, except the Chief Financial Officer and/or his/her fully authorised delegate, shall not be deemed to be in final settlement of such an amount.

4.15.3 The provisions above shall prevail notwithstanding the fact that such lesser payment was tendered and/or accepted in full settlement.

4.15.4 The Chief Financial Officer and/or his/her delegate shall consent to the acceptance of such a lesser amount in writing.

4.16 Arrangements to Pay Outstanding and Due Amount in Consecutive Installments or in full.

4.16.1 One of the key objectives of debt collection is to encourage debtors to start paying their monthly accounts in full. In addition it is also necessary to ensure that arrear debt is addressed. The current average balances on consumer accounts necessitates that innovative ideas be implemented to encourage consumers to pay off their arrears. At the same time it is also of utmost

DOCUMENT REFERENCE	CC AND DCP 2024 & 2025	OWNER	MOLEMOLE MUNICIPALITY	Molemole Municipality
VERSION NO	001	PAGE NUMBER	17 of 29	

importance that regular payers not be discouraged through the implementation of any possible incentives.

4.16.2 The main aim of an agreement will be to promote full payment of the current account and to address the arrears on a consistent basis. A debtor may enter into a written agreement with the Municipality to repay any outstanding and due amount to the Municipality under the following conditions:-

- The outstanding balance, costs and any interest thereon shall be paid in regular and consecutive monthly instalments;
- The current monthly amount must be paid in full; and
- The written agreement has to be signed on behalf of the Municipality by a duly authorised officer.

4.16.3 In order to determine monthly instalments, a comprehensive statement of assets and liabilities of the debtor must be compiled by a treasury official. To ensure the continuous payment of such arrangement the amount determined must be affordable to the consumer, taking into account that payment of the monthly current account is a prerequisite for concluding an arrangement.

4.16.4 Implementation of the following principles **(as a once off initiative)** could enhance the success of debt collection to a great extent:-

- Where arrangements are made to pay off the arrear amount in instalments, such an arrangement should be honoured for at least a six month consecutive period where after arrears will be written off on a monthly basis on a rand for rand basis (for every one rand that is paid one rand will be written off from the provision for bad debt).

4.16.5 The Municipality may, in the sole discretion of the Chief Financial Officer or any other person authorised by her, refuse to allow any further arrangements should a consumer default on any arrangement.

4.16.6 The Municipal responsible financial administration/CFO must take all reasonable and possible steps to collect municipal monies to avoid any challenges regarding

DOCUMENT REFERENCE	CC AND DCP 2024 & 2025	OWNER	MOLEMOLE MUNICIPALITY	Molemole Municipality
VERSION NO	001	PAGE NUMBER	18 of 29	

the cash inflow of the organization.

4.16.7 All arrangements shall be subject to periodic review and any challenge should be addresses to the Municipal Council to provide a resolution in addressing the above 4.16.1 to 4.16.6.

4.17 Interest on Arrears

4.17.1 Implementation of the following principles **(as a once off initiative)** could also enhance the success of debt collection to a great extent:-

- ❑ Levying of interest on arrear accounts should be immediately suspended upon completion of a debt agreement. This will allow debtors to see progress on their accounts, as continued payments will reflect a decrease on the balance.
- ❑ Interest will not be charged on communal land accounts, private protected farms, private protected properties, villages and town ship properties, government properties which used for residential purposes and accounts which are still being investigated for any reported errors and abnormalities.
- ❑ As long as the agreement is honoured no further interest will be added. However, in case of defaulting the suspended amount will be reversed and interest will again be levied from date of default.
- ❑ Where arrangements are made to pay off the arrear amount in instalments, such instalments should be determined on the outstanding amount excluding arrear interest. Such an arrangement should be honoured for at least a six-month consecutive period.
- ❑ Interest will also be suspended on instance where the Council has resolved on specific accounts in resolving long outstanding debt challenges.

4.19 BUSINESSES WHO TENDER TO THE MUNICIPALITY

4.19.1 When inviting tenders for the provision of services or delivery of goods, potential contractors must declare that all relevant municipal accounts owing by the tenderer or its directors, owners or partners have been paid and not in arrears for more than 90 days.

4.19.2 The Municipality will at its sole discretion check whether all the Municipal accounts are up to date.

4.19.3 No tender will be allocated to a person / contractor until suitable arrangement for the repayment of arrears over the duration of the contract, has been made. The tenderer must maintain arrangements and pay current installments as provided for in any contract with the Municipality.

4.19.4 Where payments are due to a contractor in respect of goods or services provided to the Municipality, any arrear amount owing to the Municipality may be set off against such payments.

5.2. The establishment of a credit control and debt collection division will have to be financed from the operating budget, which will have an incremental impact on the budget. However, this will be offset by improved cash inflow as a result of an efficient collection system.

- 7.5 The Municipality may not supply water/electricity to a customer who is found guilty of/or if it is admitted that fraud, theft or any other criminal action involving the use of these services existed, until the total costs, penalties, other fees and tariffs and rates due to the municipality have been paid in full.

8. CREDIT CONTROL POLICY TO BE APPLIED FOR INDIGENT HOUSEHOLDS

8.1 Introduction

10.1.1 Provided that grants are received and funds are available, the indigent subsidy policy should remain intact.

8.3.1 To achieve the purpose it is important to set a fair threshold level, and then to provide a fair subsidy of tariffs. The consumer, in order to qualify for indigence, needs to complete the necessary documentation as required.

8.2 Aims of the Policy

8.1.2 The credit control policy aims to achieve the following:-

- To distinguish between those who can and cannot genuinely pay for services;
- To get those who cannot pay to register with the municipality so that they could be given subsidies;
- To enable the municipality to determine and identify defaulters to ensure appropriate credit control procedures;
- To establish an indigent directory of all persons who comply with the policy.

8.3 Obligation to Pay

8.2.1 It is important to note that the subsidy received may not cover the full account. In

such event the consumer is still responsible for the balance between the full account and the subsidy received. Where applicable, credit control must still be applied for these outstanding amounts.

9. DEBT COLLECTION

9.1 Abandonment of Claims

- The Municipal Manager must ensure that all avenues are utilized to collect the municipality’s debt.
- There are certain circumstances that allow for the valid termination of debt collection procedures as contemplated in section 109(2) of the Systems Act, such as:-
 - a) The insolvency of the debtor, whose estate has insufficient funds.
 - b) A balance being too small to recover, for economic reasons considering the cost of recovery.
- Where Council deems that a customer or groups of customers are unable to pay for services rendered.
- The municipality will maintain audit trails in such an instance, and document the reasons for the abandonment of the action or claim in respect of the debt.
