1. INTRODUCTION

Molemole Local Municipality continuously endeavors to archive best practice to achieve best practice policies and procedure in its administration and operations. In order to enable and enhance the productivity of the municipality's strategic business units it is critical that we make use of sound and latest means of Information and Communication Technology (ICT). This policy will therefore set guidelines for acquiring, using, maintaining laptops or I PADS through an allowance system.

2. PURPOSE OF THIS POLICY

2.1 The purpose of this policy is

2.1.1.1 The purpose of this policy is to develop a means or framework for the allocation, maintenance, management and control of laptop or I PAD allowance to designated councilors and officials;

2.1.1.2 To relieve the municipality and its officials of the administrative burden associated with managing the acquisition and usage of laptops/ I PADs by Councilors and officials for execution of their duties.

2.1.1.3 This will ease the financial burden for the maintenance of such gadgets and enable the municipality to focus on its mandatory constitutionally assigned responsibility, which is delivery of basic services to communities;

2.1.1.4 The municipality shall determine the number of laptops/PCs that will be procured permanently which will be used by officials not qualifying for Laptop/I PAD allowance. All excess laptops/ computers which are currently owned by the municipality will be disposed through public sale/ auction as per the Asset Management Policy of the municipality.

2.1.1.5 This policy should be read in conjunction with Information and Security Management policy of the municipality as well as all ICT related policies of the municipality.

3. SCOPE OF APPLICATION

3.1 Allowances for Councillors will be determined by applicable upper limits and legislation as gazette from time to time;

3.2 The following categories of employees shall automatically qualify to receive an allowance:

3.1.1 The Municipal Manager: Level 0

3.2.2 Senior Managers (reporting directly to Municipal Manager): Level 01

3.2.3 Operational Managers/ Divisional Heads Levels 02 and 03

3.3 If there is any other not mentioned in clause 3.1 above who requires a laptop/ I PAD allowance

4. CONDITIONS FOR LAPTOP/ I PAD ALLOWANCE

4.1 Officials qualifying for a laptop/ IPAD allowance must enter into contractual agreement with any services provider to acquire a laptop as per the approved specification. Officials may also buy the laptop/I Pad outright from any services provider for as long as the procured laptop/ I Pad meet the approved minimum specification requirements.

4.2 Officials are advised ensure they adhere to minimum specification requirements to ensure their laptop/ I Pads are configurable and joined to the municipal domain

4.3 At the expiry of the contractual term officials will make ownership of the laptops and the municipality shall not in any way claim ownership of the gadgets;

4.4 The municipality reserves full rights to set the minimum specifications of laptops to be provided by the service provider to ensure that they conform to our server system requirements relevant to ICT trends;

4.5 After acquiring a laptop/I pad, each official must hand over their laptops/ I pads to IT Unit to configure them according to official activities. This will include among others:

4.5.1 Installation of operating system and application software

4.5.2 Joining the machine on the municipal domain server;

4.5.3 Installation of antivirus software,
