

PUBLIC NOTICE

REGISTRATION OF INDIGENTS

Molemole Municipality is undertaking the process of updating its indigents registers for all qualifying households so that they all enjoy the benefit of free basic water and electricity that government provides. Such registers require that municipalities identify and register every qualifying household in every town.

The purpose of this exercise is to ensure that all qualifying households within the municipality receive basic water and electricity in an equitable and fair manner.

All qualifying household customers including household customers that are already benefiting from this scheme are therefore requested to make new applications to register as indigents for the financial year 2012/13.

The application forms will be available at Mogwadi and Morebeng Municipal Offices with effect from 13 April 2012.

NB. Households are required to submit the appropriately completed forms to the above offices on or before 30 April 2012.

For more information and further enquiries contact Matlala N.G/Labuschagne M.I at 015 501 0243/4
