WARM WINTER FOR LEHLOGEDI CHILDREN

The children of Lehlogedi drop in centre will feel a little warmer this winter thanks to Capricorn FM, Dendron Pep store and the Department of Social Development. The three came together to donate blankets to the centre that looks after 52 children, some of whom are orphans from in and around Mogwadi.

These children attend school in Mogwadi, some in Grade R while others are in High School and get one meal per day from Lehlogedi Drop in Centre which is served after school at around 15:00pm. The kids are also offered assistance with their homework and engage in other educational activities.

The Project Manager, Ms. Biri Mamaka expressed her gratitude and pleaded with the Department to continue assisting Lehlogedi Drop in Centre to look after the vulnerable children. "As a community, we must take responsibility for our children and their well being, we must invest in their future", continued Ms Mamaka.

Vision: A developmental people driven organization that serves its people

Mission: To provide essential and sustainable services in an efficient and effective manner
